TeleClass #4 - Dr. Michael Hewitt-Gleeson reveals "How to Turn Ideas Into Cash"

Michael Hewitt-Gleeson has taught more people to think than any Australian in history. Australia's best-selling business author of *Software For Your Brain*, *NewSell* and *The X10 Memeplex: Multiply Your Business By Ten!*, Michael has developed a cutting-edge training program called X10.

X10 training teaches business owners how to change the way they think so that they can develop ways to multiply their businesses and other productive activities by 10 times or more. Michael has exported his training via the Internet since 1995, which now goes to members in more than 40 countries every day.
